

**CITY OF ROUND ROCK, TEXAS  
RECYCLABLES COLLECTION AND SALE**

RFP No. 12-021

Addendum No. 1

Date of Addendum: March 6, 2012

Please note the clarification and/or additional information to the solicitation referenced above.

1. Q: Will vendors supply the containers?

**A: Vendors shall propose and supply all containers.**

2. Q: Will the City consider flatbeds?

**A: Flatbeds are not acceptable.**

3. Q: Will the City assist with loading material?

**A: No. Vendor shall load all material.**

4. Q: How long is the current vendor on site to load bailed plastics?

**A: Approximately 90 minutes.**

5. Q: Is a roll off container acceptable for plastics?

**A: Yes.**

6. Q: How are tires currently being loaded? What is City's desired loading process for tires?

**A: Tires are currently stacked at the site then the vendor loads them. The City seeks to touch the tires once by placing them in a container in which a vendor can then haul them away.**

7. Q: Is the Vehicle Maintenance scrap metal an additional line item for this solicitation?

**A: Yes. This steel is in additional to the specification issued on February 17, 2012.**

8. Q: How often is the Vehicle Maintenance scrap metal hauled off?

**A: Every two months.**

9. Q: What type of container is desired for the steel at the Waterline Maintenance Facility?

**A: A small roll off container is desired.**

10. Q: How often is the brass hauled from the Waterline Maintenance Facility?

**A: Every 6 months.**

11. Q: Can responses be submitted with several proposals?

**A: Yes. Each must be labeled as such and submitted under separate cover. For example:**

**ABC Recycling Response #1**

**ABC Recycling Response #2**
